

APPLICATIONS

- Vegetable fields
- Greenhouses
- Orchard
- Vineyard

FEATURES

- Designed to be installed upright or inverted
- Single or double bridge frames
- Works with multiple assembly options
- Easily disassembled
- Anti-insect snap-fit cup (optional)
- Numerous deflector plates for specialized spray patterns (optional)

PRODUCT OPTIONS

- Flow rates: 8-79 gph

OPERATING GUIDELINES

- Recommended operation pressure: 36-58 PSI

THE PERFECT CHOICE FOR YOU

This medium range sprinkler has a wide range of configurable features and flexible installation options, so the Rondo can deliver the spray pattern that's right for your crop. It delivers gentle droplets and a consistent spray pattern while inverted in greenhouses, under the canopy in orchards and on metal stakes in vegetable fields.

The Rondo's spray pattern size is moderate to wide and can be used for spacings of up to 24 feet by 24 feet.
